

# LSOUND65

**Outdoor loop sounder for FYRA loop with flasher**

## Main features

- Outdoor loop sounder for FYRA loop with flasher
- Integrated isolator
- Certified CPR 305/2011 EN54-3

## Data sheet

Model	LSOUND65
Product code	AVSOASA02600
Type	Outdoor loop sounder for FYRA loop with flasher
Integrated isolator	Yes
Suond pressure	108 dB (@ 1m - 30V)
Operating frequency	800 Hz, 1kHz, 2,7kHz, 3,2kHz depending on the selected tone
Dipswitch	For address and sound
Signallings	Acoustics and optics
Protection class	IP65
Dimensions and weight	W 112 x D 112 x H 110 mm, 315g
Operating conditions	From -10 to +55 °C –93% U.R.
Power consumption (sounder)	430 $\mu$ A (idle), 10 mA (alarm)
Power consumption (isolator)	120 $\mu$ A (idle), 150 $\mu$ A (alarm)
Power supply	20 ÷ 30 DVC
Certification	Certified CPR 305/2011 EN54-3
